His Nomination for Mayor Barred by the Last Campaign.

if Gaynor Refuses It Will Probably Be Wayland Trask.

The newly organized General Committee of the Citizens' Union, a branch of the Independent Movement in Kings

Republicans in Brooklyn this morning were not surprised when it was announced on good authority that Francis H. Wilson would not receive the nomination for Mayor.

Mr. Wilson was never looked upon as a strong candidate, and it is said that his boom for the Mayoralty nomination received its initial force from the first person, singular. But the chief reason for the defeat of Mr. Wilson's political ambitions, Republicans say, dates back to the last campaign. At that time Ernst Nathan, the dethroned leader, caused Mr. Wilson to be appointed Chairman of the Campaign Committee. Through Mr. Wilson Supervisor O. B. Lockwood, of the Twenty-third Ward, was given charge of printing and placing the paster ballots. On Election Day it was discovered that the ballots were not up to the standard prescribed by law.

Assistant Corporation Counsel Gilbert

Assistant Corporation Counsel Gilbert Assistant Corporation Counsel Gilbert entered a protest against the "queer" ballots, but the overwhelming Democratic majority hushed the matter up. Some of he Republicans blanne Mr. Wilson for the error, and because of that blunder alone, they say, he could not possibly receive the nomination.

It is said now, that if William J. Gay-ror refuses the nomination, the Republicans will select Wayland Trask, and ask the Independents to indorse his nomination for Mayor.

Mr. Trask, they say, as an Independent Republican, a financier and a well-informed man, would make a strong candidate.
